1 INTRODUCTION

1.1 PURPOSE

- The Configuration Management Plan document's purpose is to give stakeholders a general picture of the folder structure and our configuration management system while working on our projects.
- Our target stakeholders:
 - Customers: Mr. Tran Le Quang, Mr. Ngo Ngoc Dang Khoa
 - Product owners: Mr. Lam Quang Vu
 - Development teams

1.2 SCOPE

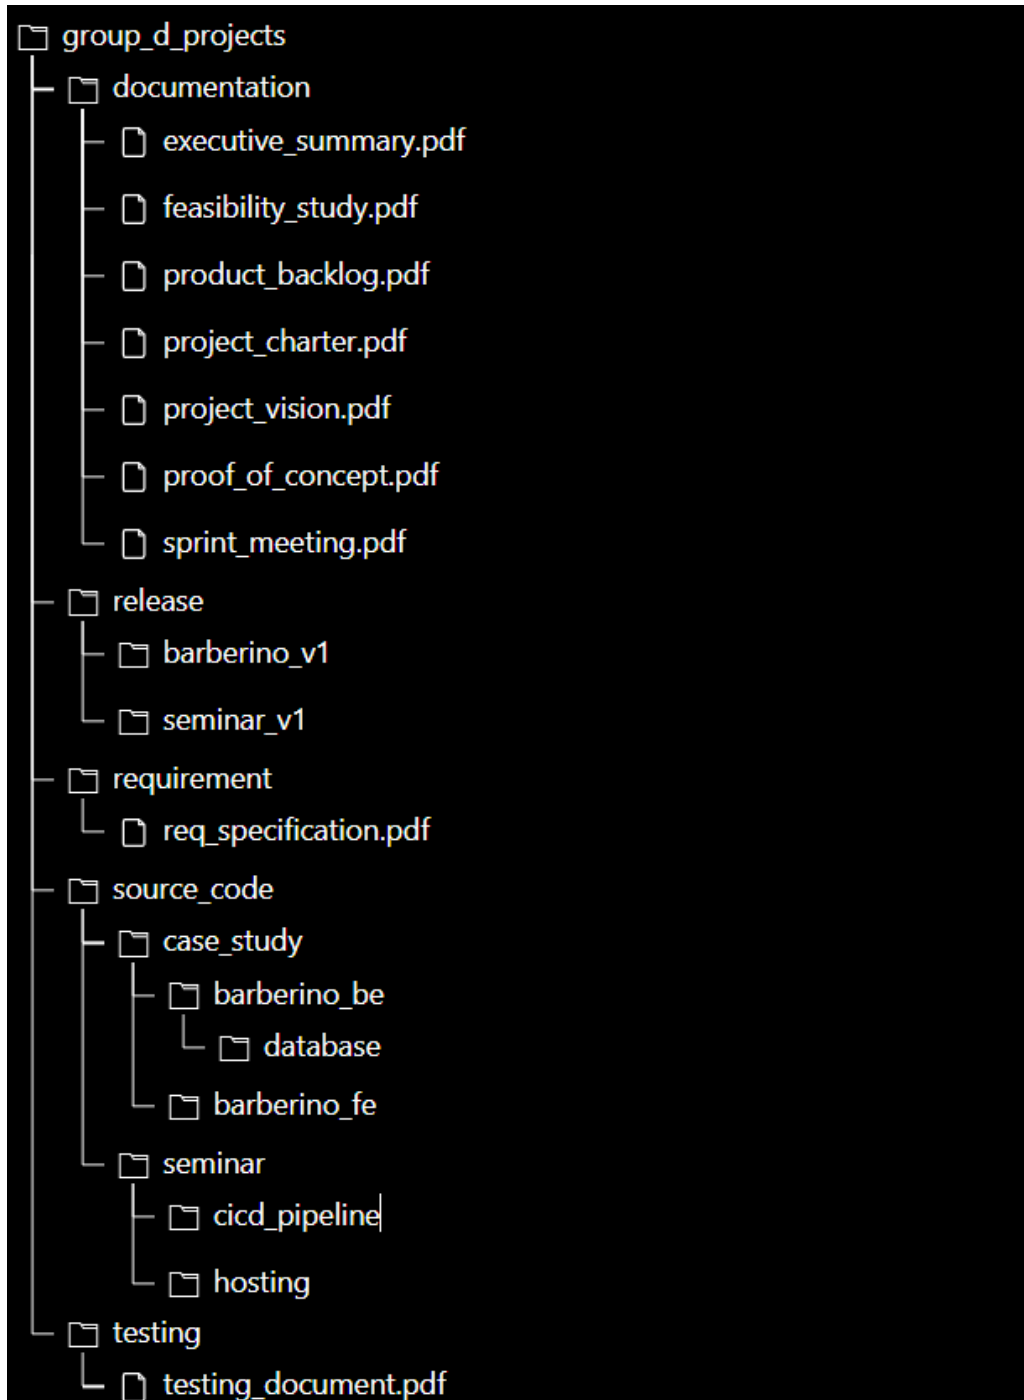

- Configuration management:
 - The duties of each member in the development team
 - Folder structures and project infrastructure
 - Naming convention for folders and files
 - Changing and managing processes
 - Storing processes and backup
- Configuration identification
- Configuration control
